Minimum stay is three nights. Rates are as quoted and vary depending upon season, plus MT bed tax (7%). A security deposit of \$300 is required in advance to confirm a reservation. Security deposit is refundable if reservations are canceled at least 45 days prior to arrival date—nonrefundable and nontransferable if not. The security deposit is refunded after departure less any damage repairs and any excess cleaning costs. In advance of your reservation period you will be sent a Vacation Rental Agreement for you to read and complete. Once that is returned to us and payment is made, you will be given a passcode and information how to access the property. This property is not a hotel or motel and there is no front desk at which to “check in.” Your Rental Agreement will contain instructions for use of the premises and responsibilities. Please read it carefully. Payment in full for the rental is due 45 days prior to arrival. Thank you for planning your visit to ‘Yellowstone Country’ with YPRC. Our family cabin getaway is a treasure to us; we hope it will be to you also.
